October 15, 2010

Dear Ms. Mengistu,

On behalf of the Garden Club of Montclair, I would like to express the appreciation of the Board of Trustees and the entire membership for your support of our October 7, 2010 Program and Luncheon, "Designing for Women."

We thank you very much for your contribution of a \$25 gift certificate for our fundraiser. You helped make this event a huge success, with over 285 attendees, all of whom had a wonderful time. We know that the lucky winner is eagerly and happily anticipating having lunch or dinner in your fine restaurant.

The funds raised will assist us in our continuing endeavors, among which are educating our members and the public in the practice of conversation, horticulture, the artistic use of plant material and to continue to beautify the Township of Montclair and the State of New Jersey.

I am enclosing our Event Program so that you know, as promised, that we included "Mesob" in all of our written material. We also announced the names of all contributors from the podium.

Again, I thank you for your most generous donation.

Cordially,

Patricia Green

Chairman, Ways & Means Committee
