Dear Friend of The Red Oaks School,

The success of the 2010 Red Oaks Harvest Festival is due to large part to the kindness and generosity of friends like you! More than 200 parents, grandparents, teachers, administrators, and friends of The Red Oaks School were in attendance on Saturday, October 2, 2010 at our school on 21 Cutler Street, in Morristown. Your delicious food and literature were prominently displayed.

Thank you for helping to the make the event so delightful. We are deeply grateful for your donation of two delicious Aletcha dishes from Mesob Restaurant.

We are deeply appreciative of your support of The Red Oaks School.

Sincerely,

Cora Meader Thomases
Director of Communications & Events
